PARTNERSHIP IS
POWERFUL.

Publix has always been committed to giving back to the community, and Publix Partners is one of the ways we do that. To date, we've given over \$32 million to schools through the program.

Here's how it works:

JUST PRESENT YOUR SCHOOL CARD at checkout. Every cent you spend will help earn money for your school.* For every \$37,500 spent cumulatively by your school's participants, Publix will award your school \$250.

YOUR SCHOOL WILL RECEIVE A CHECK as often as four times a year. If your school doesn't achieve a \$250 payment in a quarter, any credit will be carried over to the next quarter.

YOUR SCHOOL CHOOSES HOW TO USE THE MONEY. Whether it's computers or microscopes, art supplies or sports equipment that your school needs, Publix Partners can help.

ALL GROCERY PURCHASES ARE ELIGIBLE. Similar programs might have restrictions, but with Publix Partners, all of the purchases you make at Publix help your school.

FAMILY AND FRIENDS WELCOME. They can present cards linked to your school at any Publix (except in Florida) and benefit your school.

IT'S EASY TO BECOME A PUBLIX PARTNER. If your school isn't enrolled yet, just provide your school information to your neighborhood Publix store manager or Customer Service associate. Our store managers will gladly make time to present the program to school officials.**

MAKE THE MOST OF YOUR PUBLIX PARTNERSHIP. Once your school is enrolled, spread the word among your school community and have everyone reach out to friends and family. The greater the participation, the greater the rewards for your school.
